## Here to deliver for you and your customers

In these uncertain times, it's even more important for businesses to continue providing much needed goods and services for the community. At FedEx, we are still delivering to support you and the global supply chain while keeping our customers and team members safe.

To continue providing our customers with the best possible service during this time, we are implementing a [temporary surcharge \(https://www.fedex.com/en-us/shipping/current-rates.html\)](https://www.fedex.com/en-us/shipping/current-rates.html) on all FedEx Express international parcel and freight shipments beginning April 6th.
